Print on sheet of standard address labels (1" X 2 5/8" each) that come 30 to a sheet (Avery® 5160 or equivalent). On the Adobe print window, be sure "Page Scaling" is set to "None" or the margins will not print correctly. First make a test sheet on plain paper, place it over the sheet of labels and hold it up to the light to be sure the alignment is correct.

**Bible ADVENTURES!** CD-ROM
ENGLISH & ESPAÑOL

**WINDOWS:** CD should start by itself in 30 sec. If not, double-click My Computer, RIGHT-click drive marked "BIBLE ADVENTURES," click "Open," double-click first blue file: **1_START**
