

Reaching kids at school with the Gospel!

Children are open

The vast majority of all those who ever come to faith in Christ do so by the age of 14. After that the "open window" rapidly begins to close.

The schools are open to the Gospel

The Lord has opened the doors of the public schools to weekly after-school **Good News Clubs®** through a US Supreme Court decision. We can proclaim the Gospel freely!

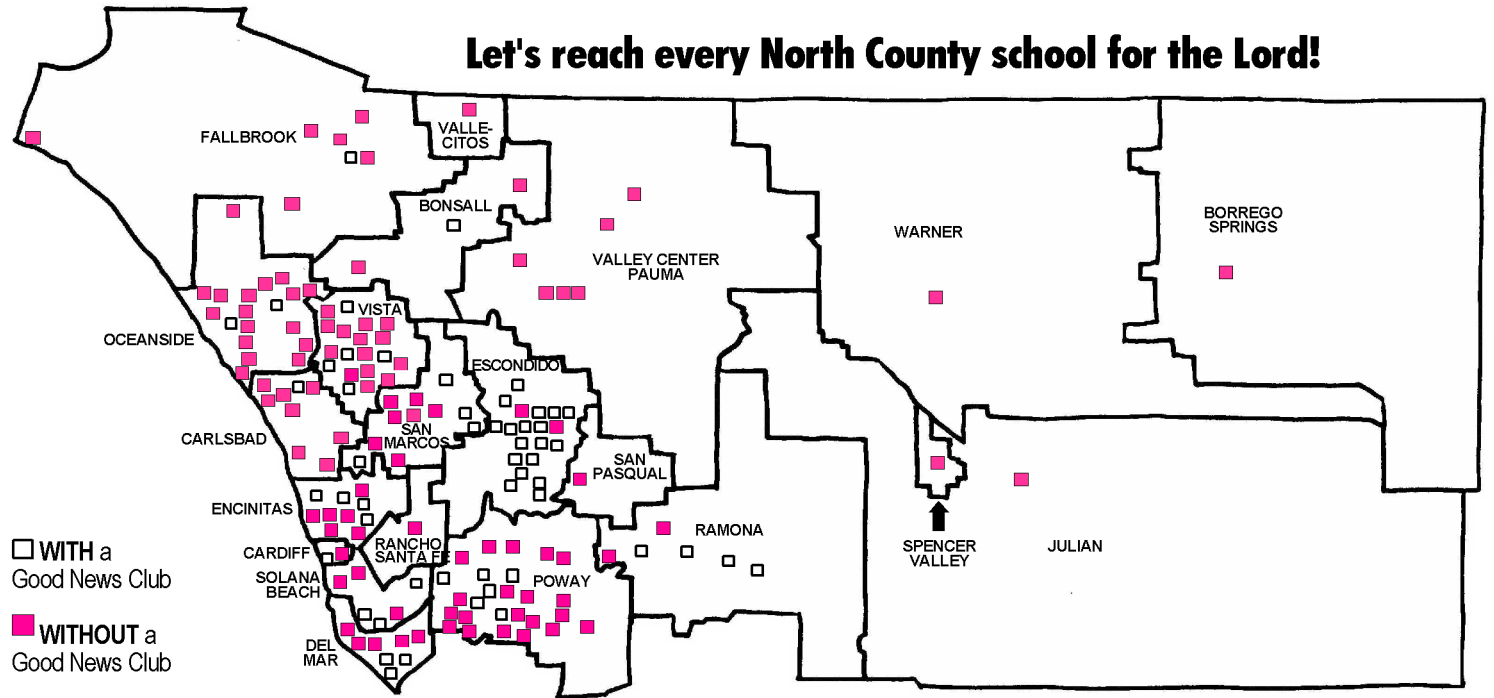

Christians are reaching their communities!

See the progress on the map, and see the opportunity! Good News Clubs are reaching many kids whose families don't attend any church, as well as Christian kids. Young lives are being changed! Teams of Christian volunteers are bringing God's Word to thousands of boys and girls, and many are coming to know Christ as their Savior and learning to live for Him each day at home and at school.

...how shall they believe in Him of whom they have not heard?
Romans 10:14

Let's reach every North County school for the Lord!

North County's 2000 sq. miles include nearly 150 elementary schools in 21 districts. In the 2009-10 season we've had 53 clubs (3 at middle schools!) and more in development! Progress has been steady, but there are so many schools—and kids—still waiting! Will you join us in prayer for the Lord's provision and guidance? Will you pray for a school near you?
