

### Review Game: "ZONK!"

Make photocopies of this original on 2 or 3 bright colors of card stock. From one copy, cut out the 4 1/4" x 6" panel at left and fold on dotted line. Staple or tape the sides to make a pouch open at the top. (Or make a pouch the same size from a sheet of "fun foam" – cut out the word "ZONK" and fasten it on.) Cut apart the point strips from all sheets and fan out in the pouch with the tops sticking out and the point amounts hidden.

Divide the group in two teams and ask the review questions alternately. If a child answers correctly, he may choose a point strip. If it has points or says "POWER!!!", he may continue to choose strips as long as he wants, but if he draws a "ZONK!" strip, his team loses all their points for that turn. If he draws a "POWER!!!" strip, all points for that turn are doubled.

Replace strips after each turn.
